

BISCUITS *and* GRAVY

Mind your own biscuits and life will be gravy - Kacey Musgraves

 **BASICGREY®**

From scratch and farm-fresh, Biscuits & Gravy is the perfect blend of supreme comfort and down-home goodness. It's just so delicious and decadently rich, we love the way it warms our heart and home!

I have so many fond memories of the delicious foods my grandma would make. Applesauce cookies? They were one of my favorites. But grandma's biscuits and gravy is my idea of the all-time supreme comfort food. With that in mind, I set out to create a collection that would look and feel exactly like biscuits and gravy tastes. Indescribably flaky biscuits topped with a rich, creamy sausage gravy. How can that not translate into awesome fabric? Who wouldn't want to snuggle up with that?
