

Tuppence

Be Magnificent

Shannon Killman Orr

It's all in the details... Tuppence is inspired by imagery of an afternoon spent drinking tea in a garden, of cobbled paths leading to a country cottage, of moss-covered walls and flowerbeds filled with cabbage roses and tulips. Inside the cottage, there are vintage terrariums and painted portraits, floral wallpapers and tufted lounges filled with needlepoint pillows. It's the story of a life well-lived.
