BY GINGERBREAD

Celebrate the enchantment of a new baby by marking each month and special occasion with an Enchanting Animal print. Create a special quilt or frame each image in the panel to record the milestones of their first year. Use a permanent marker to add details and memories to each image.

Cut And Sew Baby Bibs

Supplies needed: 1/4" fabric for the bib closures, 1.5" per bib.
 All seam allowances are 1/4".
 - Cut and lay pieces on the marked lines.
 - Press right sides together and stitch all around the left leaving a small opening to turn. See opening indicated on bib.
 - Turn right side out and press making sure all seams are flat. Press a crease which opening closed.
 - For an additional step which allows the bib to fit as from the edge.
 - Place the back piece of the fabric on the front of the bottom neck opening and sew a closure of four fabric strips.
 - Place the top piece of the fabric on the top back side of the bib and sew to seam.

There are several ways to make this.
 You can add button or button bar for a closure. Or you can use a magnetic button and thread around the hole. To make four different bibs from the panel add additional fabric of your choice for each bib backing.
