

ALEXIA MARCELLE ABEGG

While designing Heirloom, Alexia Marcelle Abegg found inspiration in the fabrics of vintage heirloom quilts. She wanted to create her own versions of the small scale prints with single color backgrounds, and her hand carved motifs sit beautifully and quietly together in a refreshed sunrise palette. A quilt-inspired canvas print completes the collection. Alexia also added six new colors to her popular Add It Up basic spectrum, which can be mixed into Heirloom projects but also stand strongly as their own mini color group.
